

The Accountability Pact Webinar Programme

01 September 2021

13:00 CEST, 07:00 EDT, 21:00 AEST

This 2-hour webinar will launch **An International Pact on Monitoring for Accountability for Action on Food Systems: 'The Accountability Pact'**, linking people from around the world involved in food systems monitoring and bringing them up to date with international activities and actions on monitoring for accountability ahead of the United Nations Food Systems Summit (UNFSS) in late September 2021.

There will be presenters from the current major food monitoring systems giving an update of the future directions for their work and how you can become engaged. See the programme below.

Time (CEST)	Section	Presenter	Content	Presentation Length
13:00	Opening remarks	Boyd Swinburn	Introduce presentations, outline the webinar scope and its objectives	5 minutes
13:05	Update on UNFSS: Progress and expected outcomes	Lawrence Haddad	Update on the UNFSS activities, including Action Track 2: Shift to sustainable consumption patterns	15 minutes
		Moderated discussion	UNFSS activities and where monitoring food systems fit in	10 minutes
13:30	Presentations on existing food monitoring systems	Jessica Fanzo	Update on the Food Systems Dashboard	10 minutes
		Stefanie Vandevijvere and Gary Sacks	Update on INFORMAS activities and the Australian Food Environment Dashboard	10 minutes
